

JUST 7 EASY STEPS

- 1) Print this page out and stick it to some light cardboard with glue.
- 2) Cut the above pieces out around the outside black lines.
- 3) Cut out the red and blue eyepieces.
- 4) Tape or glue coloured cellophane to the back of the glasses to cover the eyeholes. Use red cellophane on the left eyepiece, and blue on the right eyepiece.
- 5) Fold the flaps on the earpieces and tape or glue the to the glasses like shown below.
- 6) When the glue's done drying, put on the glasses and explore the C'lick Me website, program and reader in all three dimensions.
